

PEACE RALLY TODAY AT 2

As the Gater Sees It

WORLD PEACE THROUGH EDUCATION
OR
THE MOTION PICTURE AS A UNIVERSAL EDUCATOR

By Mrs. Anna V. Dorris

Director of Visual Instruction and Associate Professor of Geography

Man's greatest need is the establishment of world peace. Responsibility for the consummation of this outstanding issue of the age falls largely upon the public school. The importance of this duty is imperfectly appreciated by educators generally.

WAR A BARBARIC RELIC

War is a relic of barbarism which the race has never been strong enough to throw off. What in the hearts and minds of peoples that has prevented universal peace and fostered strife? Is it not fundamentally ignorance and intolerance among peoples and nations—surely. Two great forces can save the world from a backward step—understanding and human kindness.

The public school through its strategic position is the one great institution to spread education, to direct thinking and to bring nations into better understanding and appreciation of one another. The average adult is filled with an accumulation of prejudices, but the child's mind is plastic, free and natively loving. Public school teachers of the world, then, hold the future in their hands. The ideal and attitudes of the coming generations depend on what is taught and how it is taught.

EDUCATE FOR PEACE

World peace must also involve world education of great masses of peoples literate and illiterate—Filipino, Hindu, Japanese, Spanish, German, Mexican. All must be reached. The pictured illustration is the only universal language. It seems therefore to present the most logical and feasible means with which to begin organized work for world education. The habit of seeing the motion picture is already created in every nook and corner of the globe. The machinery is in full working order. Organization of a definite campaign and the production and classification of suitable visual materials is now necessary through a strongly centralized and unified national and international educational association.

CONSTRUCTIVE CAMPAIGN

To carry on a constructive campaign for world peace we need a large library of films, slides and posters. The good and beautiful of every civilization must be portrayed accurately. Peoples are more alike than different, and every civilization has something worth while. No outsider can interpret the finest in any civilization. Individual nations must cooperate in building a variety of material showing types of peoples at work and play the world over.

Public schools of the world are ready and clamoring for such material. There are already many travel films for upper grades, but almost none for the primary where the work must begin. Here we need visual material portraying home life and stories and fairy tales of various lands. Dramatic action, humor and the like greatly enhances the teaching value of any educational material. Children today may sit in a comfortable class-

'Chickens Ball' Will Be Held Two Successive Nights in Frederic Burk Auditorium; Cups Awarded

With Alpha Phi Gamma's huge Chicken's ball scheduled for next Wednesday evening, campus organizations that are sponsoring acts were today working feverishly on final rehearsals for the event.

Most of the acts will be in costume to conform with the theme of the Chicken's ball, which is that of pre-earthquake San Francisco. The music, and even the content of the acts, conform to the same theme. Act titles such as "Gay Nineties," "Barbary Coast," "Floradora Revue," are examples of the attempt which is being made to revive the San Francisco of 1906.

Disappointed but undismayed by the action of the San Francisco Board of Education in turning down their request for the use of a school auditorium, members of the committee have arranged to give the affair on two successive nights, November 15 and 16.

Melodies reminiscent of the early San Francisco days will be presented by the Music Federation orchestra as an additional entertainment.

Proceeds of the Chicken's ball will go into the Mary Kleinecke Scholarship fund established by Alpha Phi Gamma to bring outstanding high school students to the college. Alpha Phi Gamma, national honorary journalism fraternity, is sponsor of the show. Members and pledges of the fraternity constitute the Chicken's ball committees.

Dr. A. C. Roberts Endorses Press

"There is no question of the desirability of having our own press."

With this statement by President Roberts as a point of departure, the college newspaper staff is conducting a press campaign.

San Jose State, Santa Barbara State, and Cal Poly have their own presses, why not San Francisco State?

For instance, Cal Poly prints their own newspaper, and it costs them only twenty-seven dollars as compared to our seventy-two dollar printing bill. This expensive bill occurs with every issue, which is twice a week.

Dean M. A. Ward Moves Office

For two weeks, Dean Mary Ward has been settled in her new office in College hall, rooms 121-122 across the corridor from the Registrar's office.

"Now there is ample space to take care of all the students," Dean Ward stated today.

According to the dean, there will soon be a call for students to file their activity cards, which are records of student activity each semester. Women interested in working on NYA next term should file their applications soon.

Sherman L. Brown, who formerly occupied room 121, is now located in Dean Ward's past quarters, room 104.

C.S.T.A. Meets At 6:30 Tonight

Future teachers of nine bay area colleges will meet at Frederic Burk auditorium this evening at 6:30 for an informal dinner sponsored by the San Francisco State College chapter of the California Teachers' association.

John F. Brady, district superintendent of schools, will be the guest speaker. He was recently elected president of the California Teachers' association, and will discuss the aims and purposes of that organization.

DR. ROBERTS SPEAKS

Dr. Alexander C. Roberts, president of San Francisco State; Dr. Raymond Mosher and Dr. Sherman L. Brown, directors of teacher training at San Jose State and San Francisco, and Vaughan MacCaughy, editor of Sierra Educational News, will also address the students who will attend.

Representatives from eight colleges will be guests of San Francisco State; they are University of California, Mills college, San Francisco College for Women, California College of Arts and Crafts, California School of Fine Arts, College of Pacific, San Jose State, and Dominican college.

YOUTHFUL ORGANIZATION

This youthful organization, which was started only two years ago, has several thousand members. It was organized to promote the professional growth and development of future teachers through the exchange of ideas.

Helen Newell, president of the San Francisco State chapter, is chairman of the evening. She is being assisted by Walter Schwartz, Claire Hittle, Melda Moore, Harold Garden, Bertha Meagles, Elise Crosthwaite, Jean Van Arsdale, and Alberta Shulte.

Graduates Dine In Cafeteria

Affair: Graduate Supper
When: Thursday, Nov. 9
Where: College Cafeteria
Speakers: Dr. Brown and Dr. Butler
Program and entertainment

This is the first meeting of the year of both the old post grads and the new. Prominent faculty members and supervisors of Frederic Burk were invited.

Mrs. E. Spozio Is Honored At Tea

A tea honoring Mrs. Spozio, who is leaving her post as a supervisor at Frederic Burk, was given by Phi Lambda Chi last Sunday at their house.

Members of the faculty, parents and members were there to bid farewell to Mrs. Spozio.

Chairman of the affair was Marguerite Soult, to whom most of the credit is due for making the tea so successful.

SPEAKERS AT PEACE ASSEMBLY

Dr. Alfred Fisk and Joe Edelstein, student, who will speak today at the Peace Rally, contemplate the problems of war in our turbulent world.

'Peace: What It Means to America' Will Be Theme of Dr. Tully Knowles Address at Gigantic Peace Rally

"Peace: What It Means to America," will be the subject for the address by Dr. Tully Knowles, president of the College of Pacific, at State's first peace assembly to be held at 2 o'clock today in the First Baptist church, Octavia and Waller streets.

Dr. Knowles is a noted authority on peace and has lectured all over the United States.

Other speakers include Dr. Alexander C. Roberts, president of State college; Dr. Alfred G. Fisk, associate professor of philosophy who recently returned from war-torn Europe; Bob Sweeney, student body president, and Ed Smith, chairman. Joe Edelstein, chairman of the peace assembly, will discuss the "Peace Movement at State College."

"We hope to have a standing peace committee here at State and to have the peace assembly as an annual affair," Edelstein said.

The A Capella choir, under the direction of Roy Freeburg, will sing several selections.

Included on the committee in charge of arrangements for the peace assembly are Dot Foppiano, decorations; Dena Witte, hostess; Thelma Rastad, Slip Madigan and Joe Edelstein, chairman. Alpha Omega sorority is assisting with the decorations.

All 2 o'clock classes will be dismissed for the assembly.

College Class Plans Plays

The one-act plays of the English 126B class are now being rehearsed and should be ready for production early in December, according to Jessie D. Casebolt, faculty director of College theater.

"Farewell to Love" and "Perfect Ending" by Ryerson and Clemens, two noted Irish playwrights, are among those to be presented. Frances Twohig and Jack McKanney comprise the cast for "Farewell to Love." Appearing in "Perfect Ending" will be Sarita Canedo, Phyllis Southard and Noreen Honneff.

Members of the cast for "The Wooden Leg" by Essex Dana are Blanche Jessen and George Archambeault. Taking part in "The Boor" by Chekov will be Basil Pritchard, Dorothy DeMello and Fred Kline.

The players are working under a handicap of having only one hour rehearsal each week, but should be ready to give their performances soon, Miss Casebolt said.

Slides Used In Dr. Hacker Talk

More lantern slides depicting life in China will be shown to Dr. Walter Hacker's group next Monday noon in room 209.

Dr. Hacker, who has spent several years in the Orient, gives pertinent comment on these scenes as they are shown.

All are invited to attend; comments and questions will be welcomed.

Noon Dance Given College Site Is Appropriation

At last Monday's executive board meeting a twenty-five dollar appropriation was voted to the noon dance committee for a new public address system. This system will be in use from next Wednesday until the end of the term.

A cup, donated by Sampson Jewelers, will be presented to the group having the best organized dance this semester.

Sigma Alpha Eta will hold its dance on the thirteenth of December at which the semi-annual scholarship will be awarded.

New records have recently been purchased by the committee. A few of them are: "My Prayer," "Blue Orchids," "Scatterbrain," and "Does Your Heart Beat for Me?"

"Due to careful organization the noon dances will continue to be an important student activity," stated Joe Edelstein, chairman of the committee.

Flower Exhibit In Anderson 213

Have you seen the flower exhibit in Anderson hall, room 213? Miss Lea Reid advises hungry students not to attend if they are going to eat the displays for you will find that in the lily family are onions, garlic and leeks.

In the nightshade group are tomatoes, potatoes, peppers, tobacco and petunias, while lettuce and artichokes are side by side in the sunflower family.

The exhibit was primarily designed for B.S.2 students, but many others have attended and learned that a Calla 'lily' is not a lily and many other interesting facts about flowers.

Supplementing the living material are excellent lithograph reproductions of water color paintings done by Alberta Spratt, NYA project artist.

Ground was broken on the new Ingleside-Lake Merced campus last Wednesday, Nov. 3, on land that technically did not belong to San Francisco State college it was learned today from Dr. Alexander Roberts, State president.

It was not until Thursday, Nov. 4, that Dr. Walter F. Dexter, director of the state board of education, signed the papers authorizing the purchase of the 56 acres from the Spring Valley Land company.

In Sacramento last week Dr. Roberts spent a great deal of time conferring with heads of the various state departments concerning the new campus. "Plans are going forward as rapidly as can be expected," he reported.

Leo C. Nee, college comptroller, stated that the NYA work of clearing brush and trees in the huge gully was visibly evident this week.

Navy Department Is Seeking New Pilots

Would you like to join the Navy, learn how to fly an airplane and receive \$105 a month and a uniform while in training?

If so, communicate with Lieutenant L. H. McPherson, Naval air base, Oakland airport, hanger 3. It. McPherson visited the San Francisco State Placement office Wednesday in search of students with two years or more of college training who are interested in entering the Naval air corps.

After seven months at Oakland airport, the cadets are transferred to Pensacola, Florida, where their aeronautical work is completed, and they are then eligible for \$240 a month commission in the Navy.

EDITORIALS

Editorials and feature articles in the Golden Gater reflect only the writer's opinion. They make no claim to represent student or administration opinion. All unsigned editorials are by the Editor.

The State football team was hit pretty hard a week ago . . . slammed down and trampled on for a 19-0 score. It was a little hard to take because it was the last game of the season. But the fellows who were on the field took it and kept on going.

During the game they took the growing defeat much better than the student body. For three-quarters of the game the rooting section held together in pretty good style. When defeat looked certain the rooters went to pieces. They weren't crippled; they didn't have to throw themselves in plays and stagger back to a huddle. Still they gave up.

Yell leader Abbey kept active, led yell after yell. But in the last quarter there was no more student body cooperation. Groups got together and broke up weak attempts at cheers with yells of their own making.

The football season is over for another year, but there is still the basketball series coming up . . . the basketball team can use a little loyal support . . . and there is the hoped for development of general student body spirit.

The cold, wet season of the year will be coming around soon. It's the time when sufficient clothing counts for a good deal in making the poor man's existence bearable.

For this reason a drive for clothing for migrants is being organized and will be opened next Wednesday under the supervision of Westminster club.

Any kind of clothing that may be used by a family will be received and put to the best possible use. Although clothing is the greatest essential, toys and all useful articles will be in demand.

There is no reason why various college organizations cannot step outside the limits of the college and lead the way in giving aid to persons in need. A little cooperation with the Westminster drive at the present time can do much to promote similar endeavors.

Sigma Pi Sigma Plans Dance

Already Sigma Pi Sigma is formulating plans for their annual campus dance which will be held sometime in January, according to Jack McGann, the fraternity's social chairman.

"We have not yet selected the theme, but the committee working on this phase has several ideas which they are working on," was the comment of McGann. He also remarked that various other committees for the dance had also started to function.

The semi-monthly meeting of the fraternity, which was to be held next Wednesday night has been moved up to Tuesday evening so as not to interfere with the Chickens ball. At this meeting, the members will hold a dress rehearsal of the act that they have prepared for the next night's Chickens ball.

50 Pct. Of Staters Work Own Way

Fifty per cent of State students are working their way through college, if a questionnaire answered by members of Mrs. Olive Thompson Cowell's classes holds true for the whole student body.

Asked how much time they spent on jobs in a seven-day week, the 132 students participating were divided as follows: One student worked more than fifty hours; two worked 40 to 50 hours; three spent 30 to 40 hours; fifteen labored 20 to 30 hours; thirteen spent 10 to 20 hours; and fifteen 5 to 10 hours. Boiled down, 30 per cent worked over ten hours a week and 20 per cent worked from five to ten.

In this group were 47 freshmen, 49 sophomores, 16 juniors, and 11 seniors.

Clothing Drive For Migrants

Under the auspices of the Westminster club, a drive is being organized for the collection of clothing, toys, and other appropriate articles to be distributed among the needy migrants in California.

The drive will open Wednesday, November 15. Parcels may be left in the alcove off Mrs. Monroe's office, room 203, College hall.

Social workers in this field state there is a tremendous need among these people, whose condition is made more appalling by the approach of winter.

The student body has given full endorsement to the drive. Affiliated organizations and instructors are urged to get behind the movement to help the numerous needy families.

Clothing for the entire family, layettes for babies, and garments for small children are particularly requested.

Mrs. A. Flemming Exhibits Drawings

State art students will be interested to know that Mrs. Amy D. Flemming has contributed selections of her watercolors, and black and white studies to the following galleries: S. F. Art association, Marin Art association, Oakland Art association, and the S. F. Society of Women artists.

Constitution Test

The test on the constitution will be given on Tuesday, November 21, from 10 to 12 a.m. in room 118. This examination is to be taken by teachers in service, new teachers in California, and transfer graduate students who have not yet done so. Special permission from the registrar's office will be required. The test will be conducted by Dr. Floyd A. Cave.

A Capella Sings At Peace Rally

Choir selections for the peace rally today are Australian Up-country song by Percy Grainger and Sing Ye Stars of Light by Matthew Lundquist both directed by Mr. Roy Freeburg. This occasion gives State's singers an opportunity to show the President of College of Pacific, Tully Knowles, what they can do.

Classes scheduled for 3 o'clock will follow the assembly.

French Club Plans Angel Is. Picnic

Members of the French club are planning a picnic to Angel Island in the near future, according to president Pat Sullivan.

Although many of the club's events are opened to members only, the picnic will be open to all their friends who wish to attend. The outing will be an all-day affair, beginning in the early morning when the picnickers will board the U. S. government boat which will transport them to the island.

Hiking, swimming, tennis and softball are but a few of the sports available to visitors at the government immigration base. Date of the picnic will be announced within a few days.

Paralysis Talk Enlightening

"Infantile Paralysis and Encephalitis," was the subject of an enlightening talk by Miss Beatrice Howitz, Hooper foundation, U. C., given yesterday in Anderson hall, room 207 at 11:30.

Beta Pi Sigma, State science club, sponsored the meeting which was well attended.

PERFECT LIPS

The line forms to the left, boys! Goldie Atwood, one of State's leading majorettes, was judged the winner of the most perfect lips. In this most unusual contest sponsored by the Newman club approximately 200 girls left the lipstick imprint of their lips on paper napkins. Goldie was the lucky one to receive a free bid for the Newman ball given last Saturday night at the Hotel St. Francis.

COLONIAL ROOM

A bit of handshaking goes to Wade Brummal for the expert handling of the ball. Wade and his committee chose the Colonial room of the hotel for their dance and Les Smith and his orchestra were wonderful, playing the latest hit tunes, and his vocalists were equally good.

'DANCING CHEEK TO CHEEK—'

Bob Rust, student body president of the University of California was present with Tita Scita, as was our president, Bob Sweeney with Claribel Bley.

Others who were having a grand time were Jack Kelly and June Gribble, Bill White and Muriel Evans, Bill, by the way got cinematress Jean Parker's autograph. Miss Parker was in the hotel lobby surrounded by Staters.

Other dancers: Elwood Frates and Dottie Boyer, Barbara Robinson and Steve Pardon now at Stanford and former prexy of Newman, Grace Whitby Lawrence (of the faculty) and her husband Stan, Jack Murphy (another former president of Newman) and his fiancée Eileen Canavan, Wallace Mitchell and Dorothy Fitzpatrick (of "Murray Hill" fame), Bill Pennington and fiancée Mary Jane Brenestul, Jack "Slip" Madigan and Patricia Riley, Barbara Sullivan and Hal Meller.

Claire Dever and Wes Dahl, Lil Cincotta and Chad Reade, Carolyn Grother and Earle Saxton, Nita Rayisich and John McNeese, Margaret Muller and Art Berse, Dorothy Thomas and Jimmie Fitzgerald, Ruth Beck and Carl Ruling, President Wade Brummal with Secretary Miller and Treasurer James Synan was with Jeanne Cullem.

Coming as a surprise to their friends, was the announcement of the engagement of Oswald Austerias and Joyce Gunderson of Cal.

"CHANGE PARTNERS AND DANCE WITH ME"

Loyal Staters may have been disappointed at the outcome of the J.C.-State game but not with the dance that followed.

The Sigma Alpha Eta fraternity with Ed Smith as the capable chairman, sponsored the dance which was held in the girl's gym. The J.C. students were as much in evidence as were the Staters.

Dick Lotter and his orchestra played for dancers Betty Lou Grisell (Indian dancers) Lou Quataro and Bob Anderson, Betty Berlin, Guido de Ghetaldi, former Stater Bob Higgins, Joe (Mark Hopkins) Edelstein, Bob Cumming, Jean Gilen, Marge Grier, Jack McGann, Jeanie Van Arsdale, Rita de Andreis, Bob Montgomery, Bill Abbey, Bob Buckley, George Thayer, Betty Pospisel, Violet Giltner, Beatrice Gregg, Bernice Codde, Bernice Mattos, Socrates Pantages, Lillian Freed, Vic Ramirez, John Krause, Vic York, Dot Foppiano, and Bernadette Cleary.

TRI-NITE

Betty de Voe, Bob Sweeney and Ed Smith are working hard on the plans for Tri-Nite at the Palace hotel tonight. They're hoping Staters will jam the place.

would it
were so . . .

Shall it be this one? Or the chiffon? You're sure of a rousing time tonight, yet oh, how dancing wilts the feet... if only people wore flats with formals...you could even tango in those wonderful, comfortable Spalding* flats! *Important, of course, is perfect fit, a sure bet at

GOLDEN GATER

Page 3

COVERING UPPER FIELD

By JOHN PICHOTTO

It was a storybook finish for Sigma Pi Sigma as they captured the intramural football championship from the Muscle-Men last Monday by the slim score of 9-7. Hundreds of fans thrilled to the spectacle of a team, trailing by the score of 7-0, scoring 9 points in the final two minutes of play to walk away with the title.

Early in the first quarter, Augie Venturi dropped back to his own goal-line and let go a long pass which floated into the arms of Kenny Kim who rambled into pay dirt to give the Muscle-Men a lead of 7 points.

PASSING BATTLE

It was a terrific battle from that point on with both sides playing even ball. Venturi and Oakes alternated in throwing passes to receivers Marsh Hansen, Kim, and Al Barros. The fraternity boys clicked on short passes from Don MacRitchie and John Finn to Jack McGann, Jack Fischer, and Ed Barry. Barros and Venturi used tricky plays to dash off long gains while Sigma Pi Sigma rolled up considerable yardage on pass interceptions by McGann and Bob Cumming.

With two minutes remaining in the ball game, Don MacRitchie shot a pass to Jack Fischer who leaped in the air to land in the Muscle-Men end-zone for six points.

30 SECONDS TO PLAY

With 30 seconds left to play and trailing 7-6, it still appeared as if the Muscle-Men would claim victory.

The Muscle-Men line of Frank Lumpe, Hansen, Ed Hagarty, Dave Stone, and Al Eisan continued to smash up the Sigma offensive thrusts and Barros, Venturi, Kim, and Oakes, were breaking up attempted passes. At this point, Don MacRitchie was called upon to drop-kick and he responded with a "natural" for 3 points and victory.

On the drop-kick play, not a single Muscle-Man broke through as the Sigma line of Bob Anderson, Tony Bacich, Bob Cumming,

Bob Buckley, Lou Quartararo, and Ed Barry did beautiful blocking.

Phi Epsilon Mu members: Chad Reade, Dave Schiller, and Charles Iago found the going difficult at times, but on the whole, did noteworthy refereeing.

A novel and entertaining slant was given to the game as John Pichotto and Claude Hanrahan used the loud-speaking system to give a play-by-play description of the game.

MEDALS AWARDED

Four men will be honored with appropriate medals for leading the high-scorers during the tournament. The players, with their total scores, are Jack McGann, 33; Jack Fischer, 27; Bob Russell, 21; and George Weekes, 21. Medals and ribbons will be presented at an Award Rally to be held soon.

Basketball entries are coming in fast, with 22 teams already entered. Competition will be keen in this tourney with such teams as defending champions Playground Directors, Muscle-Men, Sigma Pi Sigma, Old Men's A.C., Phi Epsilon Mu, the Cathayans—an All-Chinese team, and a host of P.E. classes signed up. Today is the deadline!

FOOTBALL OLYMPICS

Monday concludes the football Olympics and the Basketball tilts will start probably on Wednesday. Watch the Bulletin Board for complete schedule.

Today at Robert's Field the Drop-Kick for Accuracy will be run off. Entered in this event are such men as Herb Platt, Tom Collingwood, W. Odono, Arnold Vezani, John Pichotto, Saul Simon, Daryl Jasperson, Walt Lerner, Earl Howard, and Bill Clark.

Monday's events will be the Pass and Place-Kick for distance. Among the men entered are Jack Fischer, Ralph Hill, Pete Mirande, Jack Kelly, Harry Robey, and Ed Borup. Ribbons will be given for the first three places in these events.

Coach Don Kupfer, along with Phi Epsilon Mu members, will assist with the program. All events are run off at Roberts Field.

Boyle, Garden Casaban Coaches

Lightweights Set For Cage Season

Action on both lightweight basketball fronts will officially commence this Monday, when coaches Dick Boyle and Hal Garden of the 145's and junior varsity squads respectively, take charge of all prospective members at 4 o'clock on the Salvation Army court. All those interested in trying out for either team are requested to be present.

Dick Boyle, who will undertake the task of coaching the 45's, will be confronted with the fact that he has but two men returning from last season's first team. They are Bob Wolf, forward, and Alex Edelstein, guard. Other members who saw action last year are Ed Smith, forward; Archie Steinback, center; Harry Kagen, center; Fred Bender, forward, and John Peterson, guard.

Coach Boyle expects his ranks to be filled by newcomers from high school who weren't there at the start of last season.

Among those who saw action on the jayvee squad and who will probably return this year are Darryle Jasperson, Frank Jackson, Guido de Ghetaldi, Ed Castro and many others.

W.A.A.

Over fifty State girls will act as hostesses to fifty-three high schools of the Bay Area on Saturday, November 18. Registration takes place at 9 o'clock, followed by a unique introduction period in the gym. Then there will be two periods of activity with the girls participating in team and individual sports. A luncheon in Frederic Burk and special outside entertainment will be the climax of the day.

The Mexican Fiesta theme is used throughout the day in regard to costumes, decorations, food, and entertainment. The decorations are being made by Mr. Green's art class. All P.E. faculty members are advisers of the various committees which number about fifteen.

The big hockey game takes place Saturday. S.F.S.C. vs S.F.J.C. at Funston Field.

The girls will leave the Ferry Building at 8:00 to hike Mt. Tamalpais, this coming Sunday.

The W.A.A. will be represented by two acts; one by Kappa Delta Tau, the dance society and the other by two prominent members of the W.A.A., Jean Van Arsdale and Goldie Atwood.

The second round of mixed doubles must be completed next week. Get together fellows and gals. The first round of the women's singles and doubles end this week.

The girls are now competing among themselves with a possibility of the better girls participating against other colleges.

Last Saturday State won three of the nine matches which were played at the S.M.J.C. Playday. Claire Knabenskuh won singles; Norma Taloff and Bobbee Sandeen won doubles; as did Claire Knabenskuh and Polly Ann Peck.

All Intramural Team

The Intramural Board and Golden Gater presents today its 1939 All-Intramural football team—the best players in their positions chosen out of the 200 who have made this season the finest in the history of intramural competition. A second and third team is also chosen. It was a difficult task due to the abundance of talent—but here are the line-ups:

FIRST TEAM

George Weekes, Sigma Pi Sigma	Left End
Frank Lumpe, Muscle-Men	Left Tackle
Bob Cumming, Sigma Pi Sigma	Left Guard
Al Gorla, Bears	Center
Joe Techeira, Old Men's Athletic Club	Right Guard
Bob Anderson, Sigma Pi Sigma	Right Tackle
Ray Ryall, Ryall's Stars	Right End
Jack McGann, Sigma Pi Sigma	Quarterback
Tom Collingwood, Old Men's Athletic Club	Left Halfback
Don MacRitchie, Sigma Pi Sigma	Right Halfback
Bob Russell, Old Men's Athletic Club	Fullback

SECOND TEAM

Lou Quartararo, Sigma Pi Sigma	LER	Jack Freeman, Old Men's A.C.
Dave Kerwin, Old Men's A.C.	LTR	Lee Alderman, Muscle-Men
Marv Fairbanks, Dinosaurs	LGR	Ed Barry, Sigma Pi Sigma
Tony Bacich, Sigma Pi Sigma	C	David Stone, Muscle-Men
Bob Buckley, Sigma Pi Sigma	RGL	Cliff Nelson, Old Men's A.C.
Ed Hegarty, Muscle-Men	RTL	Pete Mirande, Bears
Ernie Loustalot, Old Men's A.C.	REL	Marsh Hansen, Muscle-Men
Al Barros, Muscle-Men	Q	Kenny Kim, Muscle-Men
Augie Venturi, Muscle-Men	LHR	Herb Platt, Old Men's A.C.
Jack Fischer, Sigma Pi Sigma	RHL	George Parker, Dinosaurs
John Finn, Sigma Pi Sigma	F	Jack Oakes, Muscle-Men

HONORABLE MENTION

DIVISION A— Arnold Vezani, Daryl Jasperson, Gene Debrecht, Saul Simon, Tom Kim, Al Eisan, Dick Webster, Al Davidson, Jack Winter, Jack McInerny, Pat Sullivan, Schultz, Oxenkell, Acorn.

DIVISION B— Craig Gaffney, Leo Coulson, Phil Vail, Ted Wood, Walt Bridges, Herb Swanigan, Aldo Avidane, Ken Howland, Hal Boyd, Ed Bagnes, John Tash.

DIVISION C— Alex Edelstein, Bill White, Joe Sullivan, Marshall Turner, Hank Batis, Paul Scholten, Gene Naumoff, Cal Drews, Isadore Pivnick, Larry Bacon, John Grantham, Louis Savelli, Victor Sariotti, Fred Bender, Charles Maurer, Neil Martin, Ray Hutchison, Steve Mills, Jim Maciel, Pete Perry, Joe Edelstein.

DIVISION D— Dan Rubin, Jack Wolf, Wally Young, Dick Schwab, Stan Lefcourt, Stan Winter, Carl Sanborn, Tom Beggs, Jim Synan, Jack Kelly, Jack Sullivan, Gordon Wilcox, Wes Dahl, George Otis, Pete Padilla, M. Licht, Arno McNeese, Hal Muller, Witt, Marcus Davis, Tom Besio, Herman Wiggan.

Soccer Team Takes Upset Win Over S F J C by 4-0 Score

When the referee's shrill whistle marked the end of the San Francisco State vs. San Francisco J.C. soccer upset last Monday, amazement was written on the face of everyone present.

For Jaysee, the same team which held the University of California Bears to a scoreless deadlock a few days before had succumbed to the power and drive of the State soccer boys to the tune of 4-0.

Curt Butties starred for the Gaters by scoring two goals in the first half by legitimate means and by one that bounced off the Rams' fullback into the State goal. Late in the game John Tash chalked up goal number four.

Coach Gerry Kenny was jubilant over the victory and has high hopes for the team in their coming encounters.

A.W.S. Ice Skate Date Is Changed

The date of the AWS Ice Skate party has been changed to November 18, 5:30 to 7:30 p.m., in the S. F. Ice Skating rink.

According to Beatrice Halis, chairman, there will be entertainment and refreshment for all, with a nominal charge of 15 cents.

Golf Team Meets To Organize

Candidates for State's 1940 golf team will meet today at noon, in room 118 College hall. According to Coach Harry Robey, plans are to be formulated at this meeting for an intercollegiate schedule that will canvas local and east bay colleges and universities.

A tournament is to be held in the near future at Ingleside course that will form the basis for selection of squad members.

Moseby Speaks On Taping Art

Announcing the second in the series of talks by leading Bay region athletic authorities, Dave Schiller, president of Phi Epsilon Mu today disclosed the next guest speaker would be Dr. David Moseby of Polytechnic High school staff. Mr. Moseby will speak in Anderson hall, room 110 on Tuesday, November 14.

Selecting as his subject the practical demonstration of treatment in first aid, Dr. Moseby will stress the methods of athletic taping and precautions which tend to decrease injuries.

Inviting all interested persons to attend, Schiller pointed out the fact that while open to all, the lecture will be of extra benefit to those intending to follow physical education courses.

Varsity Begins Practice With Large Turnout

Basketballers Sporting Uniforms Guaranteed To 'Knock Your Eye Out'

By ERNIE BICKNELL

Wait till you see them! See what? Our new canaries. Those purple winged canaries! What are they? Our casaba canaries. Our hoopsters will knock your eyes out with their brilliant gold suits with purple arms and purple stripes down the legs of golden sweat pants.

After three days of practice about twenty-five men look like good workable material, according to Coach Dan Farmer. Optimistic over the return of most of last year's squad plus a number of new recruits, both transfers and frosh, Coach Dan has put the GO sign on for an interesting season which he predicts will end with a good record.

LARGE SCHEDULE

Six additional games have been scheduled this week, two games with San Francisco Junior College, January 11 and 12; two with Sacramento Junior College, January 19 and 20; and two with Santa Barbara State College to close the season February 23 and 24. These make a total of 23 games now on deck. Twelve of them will be played 'home, usually in Kezar. The first three, however, will be staged in the State gymnasium.

First casualty of the season occurred last month in a physical ed. class when Bob Turney, six foot three guard, cracked a shoulder bone. He will be out of practice at least two weeks, possibly three, under doctor's orders. Turney saw action last spring after entering State in mid-year.

MANY VETERANS

Shapin rapidly into form, last season's veterans, Tom Collingwood in center, Ernest Loustalot and Bob Russell at forward, Dave Kerwin and George Thayer at guard, make a strong nucleus around which Farmer will probably build his team. Jack Madigan, also a vet, moving from center to guard, is up in the running. Other old-timers, Nelson, Jack Fisher, and Bill Hammond are expected to show well.

Among newcomers it appears that Mission High school did right well by our little Nell. Three former Mission bucketteers look good, Farmer says. In his search for another guard his eye is on Gustafson and Ferguson, and the third, Phil Stolz, is out for center.

NEW FORWARD MATERIAL

Two transfers, Ed Kalfain from U.S.F. and Jack Wolf from S.F.J.C. re forward material who will bear watching. Another possible understudy for Collingwood at center is Marshall Hansen, Coach said.

A well balanced squad with good support in every department is foreseen by Coach Farmer in spite of the youthfulness of the season.

Runners Tackle Bulldogs Wed.

State's cross-country squad today pointed toward its first intercollegiate encounter with San Mateo J.C., Wednesday, November 15, at San Mateo.

Successful in their first two practice meets against Lowell and Commerce, the Gaters head into the Bulldog meet undefeated. Fred Kline, Dick Schwab, Jack Carolin, Marcus Davis, Aubrey Wendling, and Rolfe Leavitt are scheduled to make the trip down the peninsula.

Swimming Team Practices In Y M C A Tank on Monday

With three workouts a week scheduled, the swimming team goes into training Monday.

Present plans are for the squad to practice on Mondays, Wednesdays, and Fridays, between eleven o'clock and noon, at the Central Y.M.C.A., located at Golden Gate and Leavenworth. Coach Hal Harden stated that fellows who cannot attend during these hours, may arrange with him to work out at other times.

So far only a small number of men have stated their intentions of turning out for this intercollegiate sport so there is plenty of room left for additional members to the squad. Anyone who is interested should get in touch with Coach Harden.

No meet dates have been set as yet, but California, Stanford, Santa Clara, San Jose State, and a number of junior colleges are being contacted.

KUPFER WANTS MEN

Don Kupfer will hold a meeting for men interested in forming intercollegiate boxing and wrestling teams Monday noon in room 118.

"Those with little or no experience in either sport will be welcomed," announced Kupfer. A series of intercollegiate meets will be scheduled if sufficient talent is forthcoming.

Stone, Biggi Get Favorite Roles In Badminton Finals

Announcement was made today by Jo Biggi, badminton tournament director, that Friday, November 17 would definitely see the beginning of the championship play-offs in both the men's and women's singles. Selection of Miss McLaren of the physical education department to act as referee was also disclosed.

In the men's singles, Ru Stone looms as an odds on favorite to down Nyman for the crown, although a comparison of tournament scores narrows his edge down to what may be the basis for a clean, healthy upset.

After breezing through all competition in the preliminaries, Jo Biggi tackles the hard-driving Norma Taloff in what should prove the toughest assignment she has had so far.

Time for the finalists to brush up on their game before swinging into action was given as the reason for the hold-over, and the contests will be played as usual during the noon hour in the women's gym.

EXEC. BOARD NOTES

November 6, 1939

The ninth regular meeting of the Executive board was called to order at 7:25 p.m. by Bob Sweeney, president. Roll was called and Peggy Smith, Dot Foppiano, Joe Edelstein, Bob Anderson, and Lou Morris were noted late.

The minutes were approved as corrected.

OLD BUSINESS

1. Bills:

- Eight dollars (\$8.00) for ground breaking ceremony.
- Nine dollars and eighty-nine cents (\$9.89) for film of ground breaking.

Referred to Finance committee.

COMMUNICATIONS

- Commerce High school — 2 passes to Bennie Walker Talent parade.

COMMITTEES

- Finance committee.
 - Recommended for Kappa Delta Tau — twenty dollars (\$20.00) to be taken from Convention fund.
- Bob Anderson moved, L. Vallarino seconded, that twenty dollars be taken from the Convention fund for Kappa Delta Tau and hereafter, Kappa Delta Tau go through the regular order of business. Roll call vote—Passed unanimously.

- Bob Anderson moved and Vallarino seconded that we appropriate twenty dollars (\$20.00) to be paid the Municipal R.R. Roll call vote — passed unanimously.

- Noon Day dance.

Edelstein asked for four dollars and fifty cents (\$4.50) more for microphone to be added to speaker system.

Edelstein moved, Vallarino seconded that twenty-four dollars and fifty cents (\$24.50) be granted the Noon Day Dance committee for record equipment.

As Gater Sees It

(Continued from page 1)

room and be transported mentally to the remotest corners of the globe. The motion picture affords the nearest approach to first-hand observation of life beyond one's own immediate environment. As an educational factor it is still in its infancy. Its possibilities are unlimited.

USE OF MOVIES

The motion picture is the world's greatest educator today. It has ability to stimulate vigorous thinking and finer ethical discrimination during the acquisition of factual knowledge. It is the one feasible and powerful instrument to open the way for a lasting and just peace among all the peoples of the world. At present we have reached one of the most critical periods in our civilization. Human beings are slaughtering each other in two vicious wars. Is it not time that educators unite and convert some of their boasted theories into definite working plans that will bring about constructive results before it is too late?

THE WAY TO PEACE

There are ways to peace when there is an honest desire for peace. When understanding and human kindness become a vital part of our consciousness, prejudices will be overcome, differences will be adjusted, and a new era will surely be born into the world. Surely this is the educators' responsibility and duty. There is no excuse. We have everything to work with. This great scientific age has perfected for our use the most powerful educational tools the world has ever known in the development of the radio and the motion picture. Let us organize and allow these two great gifts of this age to serve mankind in the broadest possible way. Again may I emphasize there are ways to peace when there is an honest and unselfish desire for peace.

Edelstein moved it be taken out of Finance committee. Rastad seconded. Passed.

Edelstein to be responsible for all equipment. Roll call vote—Passed unanimously.

3. Peace committee — Progress satisfactory. Dr. Knowles as speaker. Edelstein asked board to attend.

4. Car caravan—T. Rastad reported three (3) trucks rented for the band. Bill received for seven dollars and sixty-two cents (\$7.62). Caravan reported as successful.

Bob Anderson moved the bill be taken out of Finance committee. Seconded and passed.

Madigan moved seven dollars and sixty-two cents (\$7.62) be paid for use of trucks. Seconded. Roll call vote, passed unanimously.

5. Ground breaking — Bob Sweeney reported it successful. Note of thanks received from Dr. Roberts.

Anderson moved the board endorse plan and see it gets proper publicity. Vallarino seconded. Passed.

Ed Smith suggested drive be given a chance to be publicized and start a week from Wednesday. Board to have signs made.

2. Representative of Music Federation — Concerns old uniforms. Asked to have permission to sell uniforms and use money to pay for new uniforms.

Morris moved that the board al-

low the Music federation to sell the old uniforms and use the money to pay on debt owed the student body. Seconded and passed.

3. Investigation of signs be referred to Internal Relation committee. Moved, seconded and passed.

4. Student Body office—Morris suggested that anyone with name on the door should have keys to office and keep office hours.

5. Activities council—Sigma Alpha Eta rally—Nov. 22 and dance, December 13. Junior class, Junior prom—November 25.

Anderson moved and Fischer seconded that the calendar be accepted. Passed.

All persons desiring dates for dances see Joe Edelstein.

Freshman class asked for December 8 for a dance. Date accepted.

6. Committee to meet with Dean's committee: Jack Fisher, chairman; Anderson and Rastad.

Committee to arrange requirements for Morning Glory Scholarship.

Madigan moved for a five-minute recess. Witte seconded. Passed. Meeting called to order at 8:30 p.m. again.

7. Communication received from Dean Ward in regards to establishment of sororities and fraternities. All such organizations other than national honor sororities and fraternities will not be recognized. Report received from the Committee on Social Organization—Madigan, Ed Smith, chairman; Anderson and Rastad to contact Dean Ward. Referred to committee.

8. Art Federation; Notice in paper that Art Federation signs all

Newman Dinner Bids Scarce

With only eight reservations left, members of the Newman club planning to attend the dinner-dance extravaganza at Berkeley Sunday night are urged to hurry and secure tickets from President Wade Brummal.

Four automobiles are ready to transport any Staters desiring to make the U. C. trek and those wishing transportation should sign the bulletin board in College hall.

HOTEL ORCHESTRA PLAYS

Joe Luke and his Lake Merritt hotel orchestra will furnish the music and an Italian dinner with "Along the Riviera" theme. The dinner will start at 6:30 p.m. and entertainment and dancing will continue until midnight. The affair is informal and in keeping with California traditions, it is not customary to go in couples.

The next meeting will be held on Tuesday night at 8:00 in Siena house so as not to interfere with Wednesday's Chicken's ball. There are still a few tickets available to Newman club members which must be purchased today. Those wishing tickets should sign the Col-

lege hall bulletin board. Although the Newman ball at the Saint Francis hotel proved a splendid social success, it left the Newman treasury rather low and those who have been promising to purchase memberships are requested to do so as soon as possible.

FOR MORE MILDNESS—COOLNESS AND FLAVOR

Camels Slow-Burning Costlier Tobaccos

Here's luxury and *thrift* together!

TOBACCO'S temperamental! Its elements of flavor and aroma are delicate . . . fragile.

And nothing destroys tobacco flavor . . . nothing turns

natural fragrance into tasteless discomfort like . . . heat!

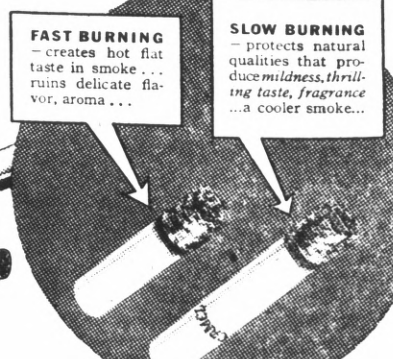

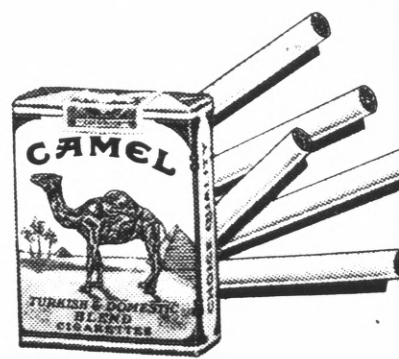

Fast-burning cigarettes can't yield either comfort or delicate taste. They taste . . . well, like anything but a good cigarette. Camel's *slow-burning*, costlier tobaccos give you the *luxury* of milder, cooler, more fragrant and flavorful smoking.

And that luxury not only doesn't cost you more . . . it costs you less! Simple arithmetic shows you how *slow burning* also gives you the equivalent of 5 extra smokes per pack! (See panel at right.)

A prominent scientific laboratory recently made impartial tests on 16 of the largest-selling cigarette brands. They found that CAMELS BURNED SLOWER THAN ANY OTHER BRAND TESTED—25% SLOWER THAN THE AVERAGE TIME OF THE 15 OTHER OF THE LARGEST-SELLING BRANDS! By burning 25% slower, on the average, Camels give smokers the equivalent of

5 EXTRA SMOKES PER PACK!
